

[Laboratorio Cervi Kervischer](#)  
[Drawing and painting seminar](#)  
[at Mione di Ovaro, Udine, Italy, 07/11/2015 – 07/19/2015](#)

Nine days and eight nights to spend in a welcoming accomodation surrounded by the green hills, where to share a really unusual trip, drawing and painting with the guide of the artist and art teacher Paolo Cervi Kervischer, who will give his classes in an amazing landscape, in a really special condition – seminar + trip – for an art school.

**SCHEDULE:**

- **Saturday, July the 11<sup>th</sup>:** departure by own means; arrival in the evening and accomodation; dinner and overnight.
- **Since Sunday, July the 12<sup>th</sup> to Saturday, July the 18<sup>th</sup>:** drawing and painting seminar in the open air.
- **Sunday, July the 19<sup>th</sup>:** half-day seminar, lunch, departure.

The seminar, open also to beginners, will take place in a local house with a great view of the surrounding landscape; the participants can overnight in the same house, sharing a common space in a large and cosy room. The building, bright and spacious with a nice gabrel roof, has a large inner space to work in case of bad weather. Every participant will be personally followed and guided by Paolo Cervi Kervischer dependind oneach one's level.

The seminar will take place every day from 10:00 to 12:30 and from 15:30 to 19:00.

The program consists of:

- figure and still-life drawing
- introduction to painting and study of the Cubist technique and philosophy
- impressionist painting
- landscape painting

Every evening, after a friendly dinner, Paolo Cervi Kervischer will hold a conversation about modern and contemporary art.

### **COST OF THE SEMINAR:**

- including overnight in the house in sleeping bag and full board treatment: 360€ (280€ for registered lab's students)
- only seminar, classes and lunch included: 250€ (200€ for registered lab's students)
- single day, from 10 to 19, lunch included: 60 €

Every participant will bring his own stuff to draw and paint (paper, pencil, charcoal pencils, canvas, stool, etc.) but there will be also available stuff given by the lab. We recommend a beach umbrella to be protected from the sun.
